

**Annual Membership Meeting
May 15, 2009
8:00pm
Main Lecture Hall**

- **"Distant Shores - The Revival of a Backyard Telescope"**
by Al Witzgall
- **"The Grab-n-Go 8-inch Carry-On Dobsonian"**
by Clif Ashcraft
- **"Observing AAI's Asteroid: 9667 Amastrinc"**
by Dr. Dale Gary

AAI reserves this month's meeting for speakers from our own membership who would like to share their research, astrophotos/imaging, telescope-making, and other activities. The election of officers for the 2009-2010 term will also take place.

The meeting will be held at the **Main Lecture Hall** at 8:00 pm.
Note that the venue has been changed since the brochures were printed.
